## SETTLEMENT ORIENTATION SERVICES

# SOS HEALTH & SETTLEMENT ORIENTATION GROUP

**Are you a refugee claimant looking to get more information on health or settlement services?**

Join us every Saturday from 10am-4pm to learn more about health and settlement information for refugee claimants. Each week we will cover a variety of topics to assist you in navigating the health system and the settlement process during your claim. The weekly drop in groups are there to provide support and a place to gain more knowledge and information where expert speakers from the community will regularly join to provide important information on a variety of topics.

Interpretation will be available in Spanish, Arabic, Farsi and Kurdish.

Contact Bayron Figueroa at 778-372-6585 for more information!
