#### Summary of Duties:

- Supervise workers and assist in assessing risk factors, managing client case loads and record-keeping, goal setting and self-care planning;
- Individual and group clinical supervision;
- Maintain appropriate documentation on emerging themes from individual and group session and make recommendations, e.g. develop/review/revise policy and/or organizational practice, therapeutic sessions, etc.
- Attend and participate in staff or management meetings, case consultation sessions, and other organizational activities as requested;

#### Qualifications Required:

- Master's degree in clinical counselling with specific training on intimate partner/domestic violence such as Master's degree in Counselling Psychology or Clinical Social Work
- Experience working with immigrant and/or refugee women experiencing various forms of abuse.
- Demonstrated experience in providing cross-cultural skills in individual and group sessions with trauma-informed and evidence-based practice
- Knowledge of dynamics of gender based violence, and acculturation issues impacting immigrant, refugee and visible minority elderly women, their children and grandchildren
- Ability to be empathetic and sensitive to socio-economic and ethno-cultural values
- Effective interpersonal and organizational skills (time management, documentation and report writing)
- Ability to communicate in speaking and writing in first language(s) that VLMFSS serves
- Knowledge of relevant resources
- Ability to work effectively with staff, clients, volunteers, practicum students and other professionals in the community
- Proficient in using office equipment and software applications
- Creativity, patience, empathy and flexibility
- Satisfactory Criminal Record Check
