

## Energy Savings Online Workshop

*How to save energy and money in your home*

Think about your home, and your energy bills. Have you ever thought about where the money you spend on energy goes? Learning where you spend on energy in your home can go a long way to help you understand how to save both energy and money.

### DURING OUR 60 MINUTES WORKSHOP YOU'LL LEARN:

- Energy Conservation Tips
- How to Read, Understand and Lower Your Energy Bill
- Home safety Tips and Advice
- Clean BC - a new provincial rebate & incentive program

Saturday May 22, 01:00 PM Pacific Time

Register via:
