

Program Highlights

This free program will equip you with the English language while providing insights on equity, justice, decolonization and anti-racism.

You will learn about Canada's history, and Indigenous cultures, meet other newcomers and co-create knowledge and learning of the English language, and much more.

- Some topics you will learn about include: Cultures in Canada, Indigenous Ways of Knowing, and Labour Laws.
- This program is designed to help you learn the language in an accessible manner building on your existing knowledge systems and worldviews
- 6 hours of in-class instruction with 3 hours optional conversation/learning circles with learners and instructors
