

CAREER PATHS FOR SKILLED IMMIGRANTS

INFORMATION SESSION

Please join us, if you are a foreign-trained professional from the following occupations:

- **Social and Community Service Worker (NOC 4212)**
- **University, College and Vocational Instructor (NOC 4011 & 4021)**
- **Early Childhood Educator or ECE Teaching Assistant (NOC 4214)**

The Douglas College Career Paths for Skilled Immigrants-Education & Social Services information session will explain how our program assists newcomers residing in BC pursue their pre-landing occupation. In this session, we will discuss how our knowledgeable Career Coaches provide clients with valuable tools and resources to understand and successfully navigate the labour market to help launch their careers. Furthermore, we will provide an overview of all the specialized services available to our clients and share a client success story. This session is open to service providers, immigrant serving organizations and foreign trained Social and Community Service Workers, University, College and Vocational Instructors, Early Childhood Educators and ECE Teaching Assistants.
