

## **CAREER PATHS FOR SKILLED IMMIGRANTS**

### **INFORMATION SESSION**

**Are you an internationally educated healthcare professional who is interested in gaining care aide registration?**

Care Aide registration is a great way for Internationally Educated Health Professionals (IEHPs) to gain exposure to the Canadian Healthcare system, immerse themselves in Canadian work culture, and better understand the scope of practice for their profession in Canada. At this event, we will discuss the pathways to gain care aide registration in BC and share more about supports that IEHPs can receive from the Career Paths program if they are eligible.

#### **INFORMATION SESSION**

**Date:** Thursday, March 16

**Time:** 5-6PM

**Location:** Online (Zoom)

#### **PROGRAM SERVICES**

The Career Paths services include:

- Personalized career coaching and action planning
- Reimbursements for some of the costs related to the registration process
- Job search support and labour market information
- Workshops to help you prepare for language proficiency and licensing assessments

#### **PROGRAM ELIGIBILITY**

The Career Paths program eligibility criteria include:

- Permanent resident of Canada for less than 5 years, and not be a Canadian citizen
- High intermediate to advanced level of English
- At least 1 year of experience in your field (up to age 31) or 3 years of experience (31 years+)
