

Program Highlights

This experimental LINC program offers a great opportunity for people from diverse cultures, backgrounds, and experiences to further develop English language skills to confidently participate in communities.

Join this program to:

- Meet other newcomers, set learning goals, and co-create learning activities while building English language skills
- Explore themes around Canadian history, communities, employment, media and communication, and more
- Build functional language skills while exploring social and racial justice issues

English Classes with a Twist!

Mondays, Wednesdays, and
Thursdays

May 17, 2023 – March 31, 2024
6:00pm – 9:00pm

Join our interactive English Language learning circle where you will learn from each other while improving your language skills, build confidence, and learn how to connect with communities at a deeper level.

Details:

This class is open to current and eligible clients (Permanent Residents, Protected Persons, and Ukrainians under CUAET) aged 17 or above who have passed LINC 6, or can present a CLB equivalent.

This class will be delivered online and in-person in three 3-hour classes per week.

Registration with Impact North Shore is a requirement to participate in these classes.

This class is government funded and free of charge.
