

FAMILY RESOURCE PROGRAMS Children & Families

Understanding and supporting Neurodiversity in families

for parents/caregivers of children
ages 2-12 years old.

Program Goals:

- understanding neurodiversity
- learning tools & strategies that can support your child in the day to day life
- self-care for yourselves
- building new relationships with other parents who might have the same experiences
- finding support services within your community

Childminding is provided (2yrs & up). Limited spots. For more information please email Bilquis at bhirani@mpnh.org
