

# National Healthcare Language Program

## Information Session!

Are you an **internationally educated nurse (IEN)**, **international medical graduate (IMG)** or **international pharmacy graduate (IPG)** in Canada with **CLB 6 or higher**? Join us to find out more about our programs.

**In these free online courses, you can improve:**

-  Effective strategies for communicating with patients in Canada
-  Intercultural communication and workplace cultural norms
-  Strategies to help pass exams such as OSCEs or CELBAN
-  Expected language use in a healthcare context
-  Language for taking patient histories and making healthcare plans

**Learn more about these courses:**

**Monday, September 16 – 6:00 pm (Mountain time)**

**Monday, September 16 – 7:00 pm (Eastern time)**

**Tuesday, September 17 – 7:00 pm (Atlantic time)**

**Tuesday, September 17 – 5:00 pm (Pacific time)**

Contact [healthcarelanguage@isans.ca](mailto:healthcarelanguage@isans.ca) to register for an information session.
