MIGRATION MATTERS INFO SHEET - AUGUST 2025

2025/26 IRCC PROGRAMMING SERVICE DIRECTORY: BC-YUKON SETTLEMENT SECTOR

ABOUT THE DIRECTORY

This info sheet provides a detailed directory of IRCC-funded Service Provider Organizations in British Columbia and the Yukon for the 2025/26 funding year. It includes program details and service areas to help providers access the most current information available across the regions, supporting improved communication and referral processes.

Please note that the regional categorization in this directory is based on each organization's regions of service. As a result, the same organization may appear under several regions, featuring different service locations. Additionally, while service types listed were verified by IRCC BCY, organizations may offer additional settlement supports outside of the funded scope.

For the latest updates or additional information, please contact the organizations directly.

ABOUT AMSSA

The Affiliation of Multicultural Societies and Service Agencies of British Columbia (AMSSA) is the provincial umbrella association for agencies serving newcomers. The organization strengthens over 90 member agencies, as well as hundreds of community organizations agencies that serve newcomers and build culturally inclusive communities, with the knowledge, resources, and support they need to fulfill their mandates. We are funded by IRCC to provide indirect capacity building supports to the sector in BC and Yukon.

LAND ACKNOWLEDGMENT

As a provincial umbrella association, AMSSA acknowledges that B.C. is on the unceded homelands of First Nations who have stewarded this land since time immemorial. We recognize the privilege that we have as settlers on this land and acknowledge that AMSSA's operations is on the unceded traditional territories of the x^wməθkwəýəm (Musqueam), Skwxwú7mesh (Squamish), and Səlílwəta?/Selilwitulh (Tsleil-Waututh) Nations. As an organization, AMSSA is committed to creating a safe space for indigenous voices.
